CONTACT INFORMATION FORM

Communication between Members and the Board of Directors is crucial to the smooth functioning of RDPHCA and that means the HOA's Secretary requires current Member contact information as required by law. This information will need to be updated annually even if the contact information on file didn't change.

The Board is also requesting some optional information such as an email and cell number. The new website will allow the Board to post important information in a timely manner and Members will be notified of any updates via email. While text message notifications aren't available at this time, the Board wants to be proactive in asking for cell numbers should this feature be offered in the future. Many Members prefer being contacted by phone, so that option is being provided as well. **Please return by December 31, 2019.**

Your information will NOT be disclosed to any unauthorized person! (There's no personal information on the website, either.) Privacy is important to the Board; after all, we're also RDPHCA members.

Thank you! RDPHCA Board of Directors
